**CIRCLE F DUDE RANCH CAMP APPOINTS CO-CAMP DIRECTOR
Central Florida Camp Creates New Positions**

Lake Wales, FL---Circle F Dude Ranch Camp, located on 500 acres south of Orlando, Florida, has been in operation since 1952 offering a wide variety of activities for young and mature campers alike. For the first time in its history it is dividing the responsibilities of Camp Director into two positions.

According to Captain Paul H. Wells, Managing Partner, "With the departure of Dianaas Camp Director to pursue other interests, we decided to make management of the camp more efficient by dividing those responsibilities into two positions, or Co-Camp Directors. The day-to-day camp operations, campers' activities, and marketing duties are being assigned to Steven Murray who has been with us since 2000, most recently as Program Director. We are conducting a search to fill the other position which will be responsible for admissions, parental communications, and the curriculum. We hope to be in a position to introduce the person who will assume these duties within the next 60 days."

Camp activities include horseback riding, a skateboard park, rockwall climbing and ziplines, swimming, paintball ranges, guitar lessons, soccer, archery, sailing, softball, basketball, tumbling, dance and cheerleading, volleyball, tennis, flag football, Summit slide, hayrides, arts and crafts, creative improve, wilderness programs, and much, much more. Campers stay in 21 rustic cabins, each sleeping 12 campers and 2 counselors. Enrollment is limited to 100 boys and 110 girls. The camp is also available for Family Weekends, Women's Weekends, and corporate and group events.
