

The Crystal Belles Will Be at First
United Methodist on Saturday and
Sunday, February 27th & 28th

The Crystal Belles will present a program of music representing the four seasons on Saturday and Sunday, Feb. 27 and 28 at 2:30 P.M. at the First United Methodist Church of Frostproof. The Belles are ten members of the Lake Wales Music Club who play on tuned glasses. Annetta Graham is director and keyboardist for the group. This is a free concert and everyone is invited to attend. An offering will be received to benefit the music department of the church and the scholarship fund of the Music Club.

Music to be performed includes Moments to Remember, Take Me out To the Ball Game, Auld Lang Syne and Casper the Friendly Ghost as well as many other familiar tunes. If you've never heard glasses used as musical instruments, this is your chance for a new experience.
