

Webber International Names New Director of Admissions

Babson Park, Fla. – Webber International University President Dr. H. Keith Wade has announced the hiring of Mike Mattison, as Director of Admissions, effective February 1, 2010.

Mattison, most recently worked at West Virginia Institute of Technology and according to WVU Today, new student enrollment increased by 40% this past year. Mattison has 15 years of higher education experience, six of those years he has served as a Director of Admissions. Mattison holds a Master’s of Arts and Bachelor of Science in Marketing. Mattison was previously employed by Webber for nine years.

“We were fortunate to have been able to choose from amongst a large number of highly qualified candidates, including four experienced Directors of Admissions,” stated President H. Keith Wade.

“It’s good to be back home,” stated Mattison, “And I am ready to hit the ground running.”
