

**BARNEYS DREAM PLAYGROUND AT KIWANIS PARK IN  
LAKE WALES**

**NOW 1 YEAR OLD**

The Kiwanis Club and Foundation are pleased to announce that the "Barney's Dream" playground turned one on February 7, 2010.

Kiwanis Attorney and Past President, Ms. Cynthia Crofoot Rignanese states, "If you have not been to the shores of Lake Wailes at Kiwanis Park recently, I encourage you to go see the Park, its improvements and Barneys Dream, the playground designed for all kids of any ability to be able to safely play together." Immediate Past President, Dr. T.J. McKeon adds, "I so enjoy going to the Park to see it in active use; the park averages 250 children per week since two schools and many individuals enjoy the facilities on a regular basis." Creative Coordinator, Barney Moore continues, "We will have a Grand Reopening in the Spring of 2010 when we add four Ride-Ems for young children around age 2; look for details in the newspaper next month."
