Seven PSC Students Earn State Leadership Certification

Seven members of Polk State College's Student Government Association recently completed the Florida Junior/Community College Student Government Association (FJCCSGA) leadership certification during the association's state conference held recently in St. Petersburg.

This is the largest number of students who received leadership certifications in PSC's district, which includes Hillsborough Community College, Central Florida Community College, Pasco Hernando Community College, State College of Florida-Manatee and St. Petersburg College.

Students in the leadership program attended a series of workshops presented by the FJCCSGA advisors that focused on the most critical student leadership traits. Only those students who successfully completed an exam at the conclusion of the workshops achieved the certification.

The PSC students are: **Shekeyal Brown** of Lakeland, **Leo Davila** of Bartow, **Brittany Dickens** of Lakeland, **Amanda Enriquez** of Lakeland, **Grant Fletcher** of Lakeland, **Mary Ann Hyanntieai** of Lakeland, and **Carmen Solis** of Lakeland.
