

Dear Potential Bok Partners:

Edward W. Bok Academy South would like to take this opportunity to thank the community for its overwhelming support over the past fifteen years. In particular, we would like to thank our Bok Partners for the 2022-2023 year. We are very excited about our pursuit of excellence in education. This letter is an invitation for your business/organization/family to become a Bok Partner and share in our excitement and success.

Bok Academy South is focused on enhancing the classroom experience so that every student achieves his or her potential in the classroom and the community. Bok Academy South, in collaboration with the parents, students, teachers and community, will provide a safe, challenging, and fun learning environment in which every child will achieve academic excellence preparing them for the future challenge of a global society.
