

We've nevER****
been more ready

with child-friendly emergency care you can trust.

Emergency experts | Specialized pediatric training | Kid-friendly environments

AdventHealth Heart of Florida | AdventHealth Four Corners ER
AdventHealth Lake Wales

AdventHealth
for Children
A part of AdventHealth Heart of Florida
[AdventHealthforChildren.com/ER](https://www.adventhealth.com/ER)

AdventHealth Heart of Florida, AdventHealth Lake Wales and AdventHealth Four Corners ER have made the experience for children a little less scary with the addition of pediatric-friendly emergency treatment rooms.

Each room is decorated with child-friendly scenes on the walls and our little patients will be treated by specially trained pediatric nurses and physicians who go above and beyond to make your little ones feel safe and comforted.
