(Brooksville, FL August 12, 2020) Mid Florida Community Services, Inc., is proud to announce that it has received a *Meals on Wheels Loves Pets* grant through Meals on Wheels America for its pet support program, Pets on Wheels. Funding will be used to provide food, supplies, and improved access to care for the pets of home-delivered meals clients, which can often be a financial and physical challenge for older adults to manage on their own.

“Older adults are such an important part of our communities. I am proud to serve them through our Senior Services Program in Hernando, Sumter, Lake, and Polk Counties”, said Michael Georgini, CEO of Mid Florida Community Services, Inc. “I can’t thank Meals on Wheels America and Petsmart Charities enough for supporting our clients and their beloved animal companions.”

Funding for this grant was made possible through a partnership with PetSmart Charities, part of Meals on Wheels America’s strategic effort to combat social isolation and loneliness among seniors across the country. This year, PetSmart Charities’ support allowed Meals on Wheels America to grant \$354,500 to 98 Meals on Wheels programs through the *Meals on Wheels Loves Pets* initiative, which ensures that homebound seniors and their animal companions can live happy, healthy lives together.

“The companionship a pet offers enhances the physical and mental health and well-being of homebound seniors, which is particularly valuable as so many older adults are feeling even more lonely and isolated amid the COVID-19 pandemic,” said Meals on Wheels America President and CEO Ellie Hollander. “We’re grateful for PetSmart Charities’ ongoing support, which has allowed us to invest *Meals on Wheels Loves Pets* grants in more local Meals on Wheels programs than ever before. This support will enable Mid Florida Community Services, Inc., to provide pet supplies and care to local seniors, making it more feasible for seniors to remain safe and healthy at home with their beloved companions during this public health emergency and beyond.”
